– Aled, Amazon reviewer

‘This story has a great plot with lots of strands running concurrently and which stretch this very likable team of detectives to their limit. There’s plenty of action and the pace is kept up throughout, leading to a dramatic ending and some nice twists along the way. I am definitely looking forward to seeing what comes next in this series! 5*’

‘A very well-written book with many surprises throughout. This was not a book that was easy to predict the outcome of. I loved that. Twist and turns and a conclusion I didn’t expect made this a great read. I look forward to further tales from Ravenswood.’
