### Nico Broekhuis

**Nico Broekhuis** (1962-2023) was a Dutch artist with a lifelong love for *Dad's Army*. So much so that he could pinpoint almost every single scene of this British popular comedy series, set in WWII, another of Nico's interests. The series comprises nine seasons, a total of eighty episodes.

In his drawings, Nico captured the adventures of the memorable characters of the fictional Home Guard of Walmington-on-Sea under the inspired leadership of the always active Captain Mainwaring and his laissez-faire second-in-command, Sergeant Arthur Wilson.

When not drawing or creating new sketches, you could find Nico touring the Dutch-German border countryside in his (original East-German) Trabant. Or relaxing in front of the telly for another episode of his favourite series, *Dad's Army*...
